# Getting Started

## USING YOUR BRUSH HEADS

1. Remove makeup with a cleansing towelette or wipe before using the attachments to avoid staining the bristles
2. Attach your desired brush head
3. Dampen your skin with water
4. Apply cleanser directly to your skin or the brush head. Avoid using exfoliators with large, jagged particles
5. Hold the device so the brush head is flush against your skin, then press the power button to select a mode
6. Gently glide the Ultimate Skin Spa over your skin's surface in a rotating motion, careful not to apply too much force to the brush head as this may cause irritation to your skin

## INSERTING THE BATTERIES

Remove the battery cover by moving the battery lock to the open position at the bottom of the handle. Install 2 AA-batteries (not included), matching the polarity symbols as you install. Replace the cover and slide the battery lock back to the closed position.

## Daily Cleansing Brush

This brush gently lifts away debris and dead skin cells better than manual makeup removal.

Ultra-soft bristles for a complete (yet gentle) clean

Use it daily for radiant skin

A mild cleanser is its perfect pair

## Exfoliating Brush

This brush removes deep-seated dirt and debris from the lower layers of skin to help those who are acne-prone.

Firmer bristles for a deeper clean

Use 2-3 times a week

Pair it with a mild cleanser and avoid harsh exfoliants

## Silicone Brush

A brush that gently cleanses sensitive skin and acne-prone skin to loosen dirt and unclog pores.

**Soft, hypoallergenic bristles**

**Use it daily**

**Pairs perfectly with a mild or hydrating cleanser**

Reveal your  
radiance.

- Failure to insert batteries in the correct polarity, as indicated in the battery compartment, may shorten the life of the batteries or cause batteries to leak
- Do not mix old and new batteries, and do not mix Alkaline, Standard (Carbon-Zinc) or Rechargeable (Nickel Cadmium or Nickel Metal Hydride) batteries
- Do not dispose of batteries in fire
- Batteries should be recycled or disposed of as per state and local guidelines
