No membership fees, shop use hours, or deposits placed at Moto Revere are refundable.

Bench Bookings

Use of the space is available for a minimum 1 hour period and can be extended by consecutive 1/2 hours periods, subject to availability. After the first hour, bench use is billable by the 1/2 hour. Payment for bench bookings is due after completion of the booking and is payable in Cash, Credit, Etransfer or Paypal.

We currently have 4 workbenches available for booking. Each workstation is available for use by one member at a time during the period of booking. Bookings are taken on a “first come, first served” policy.

Members are encouraged to book their time at the shop in advance, through the online calendar. Upon arriving at the shop, members without a booking can check in with the income desk and register the amount of time they will need a workstation for. If all the workstations are currently in use, the income desk will make an estimate of when they expect the next workstation to become free and book the member in for that time.

Cancellation of Bookings

If you wish to cancel a booking, you must give us no less than 24 hours prior notice. Cancellations may be made via email, in person or over the phone. Your booked time will be held for 15 minutes after the booking commences, and may be given to another member if you are not present within this time. If you notify Moto Revere within this time that you are late for your booking, your bench will be held.

We may cancel any booking in the event of an emergency, if we are required to do so by law or under the terms of our lease of our premises, or for health and safety reasons. We will not be liable in any way for any loss or damage to you or anyone else as a consequence of any booking cancellation.
