

KwikKool

Portable Cooling Systems

Introduces the

ICEBERG

Series

KwikKool is making history with the introduction of the Iceberg Series, which is several steps ahead of the competition. At KwikKool we believe that products should evolve, improve, and innovate. In fact, our customers have come to expect this from KwikKool. The Iceberg Series is so small and full of features, you won't believe it.

"We don't use the latest technologies, we invent them."
