

THE PORTABLE COOLER™

For years, the Portable Cooler, (cousin to our Heat Buster, but in the more economical direct-drive) has been the worldwide choice of many for portable spot-cooling in factories, workshops, dairies, livestock barns, aircraft hangars, homes, patios, etc.

Features:

- Direct Drive
- Heavy guage steel barrels
- Deep pitched blades for maximum air flow
- Osha Approved Spiral Wound Guard
- 115 volt, 60 hertz, single phase, one or two speed motors

PORTABLE COOLER HD

- Tough, Rugged and Durable
- Deep pitched blades
- Switch Guard

The Portable Cooler HD is one of the most rugged and dependably built, direct drive fans on the market and is engineered to provide long lasting spot cooling for people, products and equipment.

Model	Blade Diameter	CFM	RPM	HP	Amps	Width	Depth	Height	Approximate Weight
