

200 SERIES

XPOWER AIR MOVERS

Compact, Powerful & Lightweight

The XPOWER P-200AT and P-230AT Mini Air Movers deliver on portability, power and versatility. Perfect for tight spaces, they do the job quickly and effectively. The daisy chain feature allows connecting multiple units without an extension cord, while a built-in 3-hour timer saves time and energy.

Not just for hard-to-access areas, mini air movers are ideal for drying the following areas:

- Carpets and Hardfloors
- Crawl Spaces
- Basements
- Bathrooms
- Inside Cabinets
- Under Counters

For ventilating living spaces, the XPOWER Mini Air Mover's unique design makes it a go-to solution as a high velocity fan for air circulation, as well as multiple garage applications. Its unique design allows it to focus air in 4 positions from zero to 90 degrees, while its low power draw of 1.5 to 2.3A makes it the most efficient air mover in its class.

P-200AT and P-230AT Mini Air Movers are lightweight and stackable for easy transport. They are the perfect tool for a range of uses on the job or around the home.

Each XPOWER 200 Series Air Mover is ETL/CETL Safety Certified.
