

DIY Edible Perler Beads

Supplies you need:

- 1 package of Rainbow Twizzlers
- 2 sheets of parchment paper
- an iron
- Scissors
- Template (optional)

Directions for Edible Perler Beads:

1. Cut the beads. Cut Twizzlers into 1/4 inch pieces, approximately 18 per Twizzler.
2. Lightly tape design to worksurface so it doesn't move. Place piece of parchment paper on top. You will be able to see the template thru the parchment paper.
3. Place beads on parchment paper filling in the entire design, using the colors of your choice.
4. Place another piece of parchment paper on top of your design.
5. Iron top until the beads start to melt and fuse together (iron on "cotton" setting no steam.)
6. Once the first side is fused together flip over with parchment and fuse second side (optional).
7. Allow to cool and slowly and carefully remove the paper from the candy.
8. Enjoy!
