Gourmet Chocolate-Dipped Treats

## Dear Friends,

All City Candy opened in 2013 with the mission to provide happiness and fond memories and to inspire creativity, kindness and giving.

I hope that is what you experience when you take a walk through the aisles of our 6,000-square-foot store. We have all the old-time favorites that will bring back nostalgic memories and thousands of other fun, colorful and chocolate-drenched treats that will tease the taste buds and excite the senses.

Treat your clients, customers, business associates, employees and loved ones to a gift that will bring a rush of wonderful emotions and make them feel extra special. When they receive a beautifully packaged gourmet gift from All City Candy, they will immediately taste the quality and feel the thoughtfulness. There is nothing better than leaving a sweet impression.

We've ordered substantial quantities of holiday candies for our clients from All City Candy for several years. They work closely with us to ensure all packages are mailed or delivered in a timely fashion and, without exception, everything arrives in pristine condition. The staff is patient, careful and always accommodating. It truly is a joy to work with Elisabeth Sapell and her wonderful All City Candy crew!
