SWEETEN YOUR BRAND APPEAL

Make Your Mark

Build your brand in chocolate with handcrafted truffles and bonbons from Chocolat Céleste. Impress clients, send something special for the holidays or serve up delicious swag with your logo at your next company event. Our chocolates are tempting gifts that are personal, custom and always memorable.

METICULOUSLY HANDCRAFTED

Experience chocolate the way it was meant to be

Creating artisan chocolates with premium ingredients has been an all-consuming passion for the last 20 years. We import European chocolate sourced from the best cacao growers in the world and only work with companies that adhere to the principles of sustainability and fair trade. Our chocolates are handmade with fresh heavy cream and small batch butter from local Minnesota farms. From bean to bonbon, we have honed our craft and you can taste it in every irresistible bite.

Sweet Selection

Our chocolates are rich, creamy and incredibly complex. And as a premier chocolatier, we are always exploring different flavor profiles to bring you unique tasting experiences.

FLAVORS TO COMPLETE YOUR BOX

We infuse our decadent ganache with all-natural ingredients so you can savor the subtle tastes of your favorite fruits, roasted nuts, spices, and classic liqueurs.

CUSTOMIZED BONBONS

Velvety and lush, this 64% dark chocolate bonbon is the perfect canvas for business logos, company colors and other brand designs.
