STONE GROUND CHOCOLATE
The hand-carved granite stones in our traditional stone mills lighty grind our cacao, to preserve the bright bold flavors and gloriously gritty textures. When you use the best cacao, why process out everything that makes it unique? Our stone ground chocolate is the real deal: simple, organic, and perfectly unrefined.

TAZA CHOCOLATE DIRECT TRADE CERTIFIED CACAO
We pioneered the first third-party certified Direct Trade cacao sourcing program. We have real, face-to-face relationships with growers who respect the environment and fair labor practices. They partner with us to produce super high quality cacao, and in exchange we pay higher prices than Fair Trade.
Prepare to be amazed. Our Amaze Bar line takes stone ground chocolate to another dimension by mixing incredible flavor combinations into our minimally processed, bold chocolate.
