

TURNKEY LIFT STATION SOLUTIONS

MANUFACTURERS WE REPRESENT:

Pumps

- Solids Handling** Monovane Impeller Semi-Open Impeller Enclosed Impeller
Grinder/Chopper Grinder Cutter Chopper
Motor Enclosure Standard Explosion Proof

Wet Well

- Material** Fiberglass Concrete Polymer Concrete
Options Benching or Fillets Steel Anti-Floatation Flange (Fiberglass Only)

Discharge Base Elbow and Removal System

- Cast Iron Base Elbow & Slide Bracket
 Cast Iron Base Elbow with Bronze Slide Bracket (Explosion Proof Applications)
 Stainless Steel Guide Rail and Bracket

Discharge Piping & Valves

- Piping** Schedule 40 PVC Schedule 80 PVC Ductile Iron Stainless Steel
Valves PVC Brass/Bronze Cast Iron Stainless Steel

Control Panel

- Pump Quantity** Simplex Duplex Triplex Quadraplex
Enclosure Material Polycarbonate Stainless Steel Painted Stainless Steel
Motor Control Constant Speed Soft Start VFD
Supply Voltage 230V 1PH 230V 3PH 460V 3PH

Many Options to Choose – Contact Us for All Available Options

Level Control

- Float Switch FOGRod Submersible Level Transducer

Remote Monitoring

- Liberty OmniSite OmniSite Samsara Specific Energy
 Nighteye OmniBeacon Crystal Ball DPO

Cover

- Solid Fiberglass Solid Aluminum Aluminum Hatch Traffic Rated (H20)
 Aluminum Hatch
 (Concrete/Polymer Only)
 Safety Net

Accessories

- Float Hanger Pump Cord Hanger Cable Grips Mushroom Vent
 Junction Box Inlet Hub Portable Jib Crane
