

# The Homeschool Parents' Pledge:

---

I will **not** allow fear to be  
in charge of my homeschool.  
Instead, I choose to embrace courage.

Rather than dreading this experience,  
I choose to pursue joy and recognize  
the gift of this time together.

I vow to relinquish control of this  
endeavor to the only One who is perfect.  
I will not expect perfection from anyone but Him.

He who calls me is faithful (*1 Thes. 5:24*)  
and He will be with me providing help, creativity,  
guidance, and support at every turn.

Father, I thank you for this opportunity to walk  
with you and to teach my children. May your peace  
guard my heart and my mind as I give you all our  
needs (*Phil. 4:6-7*). Thank you that **you're with me**  
and that I can do all things through  
Christ who gives me strength (*Phil. 4:13*)!

Amen
