

Trin 1.

Klik på linket: <http://dpcs.daedong.co.kr?ID=EUROPE>

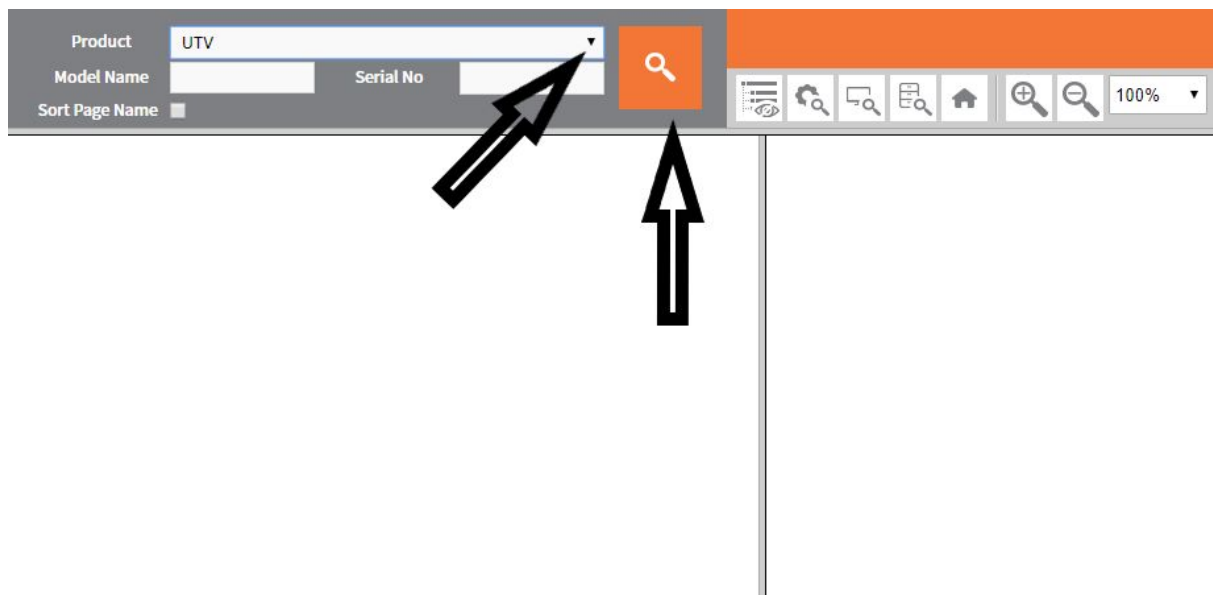

Trin 2.

Klik på "search"

This screenshot shows two search filter sections. The left section, titled "Model Name", contains three dropdown menus: "Product" (set to "-ALL-"), "Model", and "Group". A black arrow points to the "Search" button in this section, which is circled in black. The right section, titled "Search Part", contains two input fields: "Part" and "Description", each followed by an orange "Search" button. Below this is a "Serial No Search" section with a "Serial No" input field and an orange "Search" button.

Trin 3.

Vælg UTV under Product - tryk derefter på søgeknappen.
