All models offer the following standard features:

- **CONFIGURABLE STORAGE** - Configure your storage options based on team needs. Drawer and shelving options are available.
- **LOCKABLE STORAGE** - Each storage section is secured with a fold-down garage door that tucks away during use.
- **TREATMENT/EVALUATION SURFACE** - Each cart comes with a configurable top-cushion area that allows the trainer to treat the athlete lying down or seated. Each cart can also support multiple athletes, depending on cart size.
- **MOBILITY** - 360 degree rotating and locking wheels make transporting your cart easy, whether it's being used indoors or outside. The cart comes standard with a receiver hitch as well as an easy-to-use pull handle. The unit may also be moved via a small utility vehicle.
- **CONVENIENCE** - This cart exists to make the trainer's job easier. Pack your cart with the necessary supplies such as splints, braces, spine boards, walking boots, tape, etc., and you can be ready for whatever comes your way at a moment's notice.

All models offer the following options:

- **SCHOOL/UNIVERSITY BRANDING PACKAGE** - Carts may be branded to display team pride or utilized for sponsorships to pay for equipment. In addition, team logos may be incorporated into cushion configuration via slip cover or deboss.
- 3-Drawer Cabinet
- All Weather Cover (black)
- Custom Branded Lift Back Cushion Cover Slips
- Cushion Top Replacements
- Custom Powder Coat Color (colors listed below)
