\$2,799 - WOOD
\$2,599 - LAMINATE

TREATMENT AND RECOVERY CABINET - CAB-090N:

The companies developed this state-of-the-art training and recovery table with the vision of "Empowering Excellence." Trainers will save time by storing the NormaTec within arm's reach, which empowers the athletes to control treatment if needed, allowing the trainer to multi-task. The boot rack and vented drawer minimizes setup time, storage, and clutter. Custom designed for NormaTec's PULSE Series Recovery Systems with the high quality and superior craftsmanship of the Athletic Edge tables, the new CAB-090N treatment and recovery table offers these innovative features:

- Table shown with NormaTec and Athletic Edge brands.
- Dual extension drawer to fit the NormaTec product line
- Dual extension boot rack accommodates 2 pairs of NormaTec boots
- Trays hold recovery unit on both sides
- Standard with black stain or natural finish
- Available in Oak or Maple wood
- NormaTec recovery system does not come standard

TABLE SPECIFICATIONS:
