

# MioTECH

SPORTS MEDICINE SUPPLIES

## EQUIPMENT SERVICE

Intelect Legend XT and Vectra Genisys, Intelect Transport, Vectra Neo units.

Our Service Department will perform repairs and preventive service to all Chattanooga products.

Technicians are capable of component level repairs allowing for lower repair costs and faster turnaround. We also can accomplish on-site calibrations within our geographic area.

### CALIBRATION & SAFETY CHECKS

Includes Ultrasound calibration, Electrotherapy Safety Check and Overall inspection.

**\$ 125.00 / unit**

### REPAIR EVALUATION

Parts and repair evaluation provided by quote. Repair service may require sending the unit to our service dept.

**\$85/hr.**  
(billed in quarter hour increments)

For a service quote, please contact MioTech Service at 1-888-947-6331 or [service@miotech.net](mailto:service@miotech.net). MioTech is located at 2373 Cedar Park Drive, Holt, Michigan 48842. Service repairs may require travel or shipping - those fees will be quoted separately
