

Handmade Custom Displays

Artisan Displays for Artisan Products

Our handmade, fully custom displays catch your customers' attention and showcase the artisan quality of Island Thyme's products.

Free-standing displays, end-caps, and in-shelf displays are available on long-term loan at no cost for stores carrying sufficient inventory to fill the displays.

Point of Sale Displays

Our roll-on aromatherapy sticks sell exceptionally well when displayed in handmade wooden holders with an attention-getting card.

Lip balms are available with cardboard display boxes for easy display on the shelf or at point of purchase.
