A few tips for you on proper cotton care: cool (30°C to 40°C max.) gentle machine wash (hand wash would be ideal) inside out with like colors. Do not bleach and avoid the dryer. Use cool iron inside out and do not iron print! Keep in mind that on tri-blend tees, prints will have a more vintage look.

Make sure to take the right measurements before you ordering your favorite t-shirt!

Quality clothes last longer for the money you spend that's why it is important to know the brand behind the apparel. All of our clothes are made by some of the top brands on the t-shirt industry.

All items are printed in the U.S.A.
