The Firefield Carbine 12 inch quad rail is built for maximum intensity and is sure to be a vital accessory for any shooter's firearm. Constructed from hard, anodized aluminum, the Firefield Carbine 12 inch quad rail's sleek; matte black finish blends with any tactical weapon for a seamless, streamlined look.

Featuring mil spec picatinny rails, the Firefield Carbine 12 inch quad rail is compatible with most picatinny mount accessories, and its two-piece clamp on design prevents scratches and damage to weapons. The Firefield Carbine 12 inch quad rail also features numbered rail slots for precise optic placement.

Protected by the Firefield manufacturer's warranty and the quality that comes with the Firefield name, the Firefield Carbine 12 inch quad rail is sure to please any Xtreme shooting sports player or tactical shooter. Firefield-Victory Justifies Everything!
