The **Sightmark™ 15-45x60SE Spotting Scope** is range ready! No other spotting scope can match its sleek easy to use design. Available in straight eyepiece for more instinctive natural use. Its heavy duty, waterproof body protects its multi coated glass optics. The built-in objective sunshade even keeps glare out of your field of vision. With the scope's improved accurate, adjustable tactical tripod, fine adjustments are quick and easy to make. A sturdy, larger base and swivel precision knobs adapt the spotting scope perfectly to any environment; it's perfect for range or target shooting, observation or hunting. This product is protected by Sightmark's limited lifetime warranty. Sightmark- Make Your Mark!
