- ⊕ Side parallax adjustment
- ⊕ Precision multi-coated optics
- ⊕ Waterproof, shockproof and fogproof

### INCLUDED

- ⊕ Set of 30 mm rings
- ⊕ Flip-up lens cover
- ⊕ Lens cloth

The **Sightmark Ezekiel Rifle scope** uses cutting-edge glass and lens coatings to ensure that it is the most accurate rifle scope in its class. Precision multi-coated optics are a distinguishing feature of the Sightmark Ezekiel Rifle scope; multi-coated lenses offer a clear view for easy target acquisition in both bright and low light situations. Both waterproof and fogproof, the rifle scope features tactical windage and elevation adjustment with locking capability, ensuring the scope stays zeroed. The side parallax adjustment provides precision accuracy for close to long range shooting, competition shooting and hunting.
