

Public Information

UK Product Name		Amlaberry (MA70	01)		С	ode Name	MA7001
Availability		Stock item in UK					
Description		Supports muscular development, rejuvenation, mind-body coordination, eye function, digestion and skin hydration.					
		Processing the fruit of the Amla with its own juice in a 21 step process enhance its benefits including its muscle building action that is useful for all types of athletes. Amla is unusual in that it stimulates digestion without increasing acidity. Amlaberry nourishes the skin cells and helps increase their moisture levels, reducing the sign of ageing.					
Ingredients
