

## OSS TEMPLATES - ADDING COMPANY LOGO AND NAME MS WORD 2010

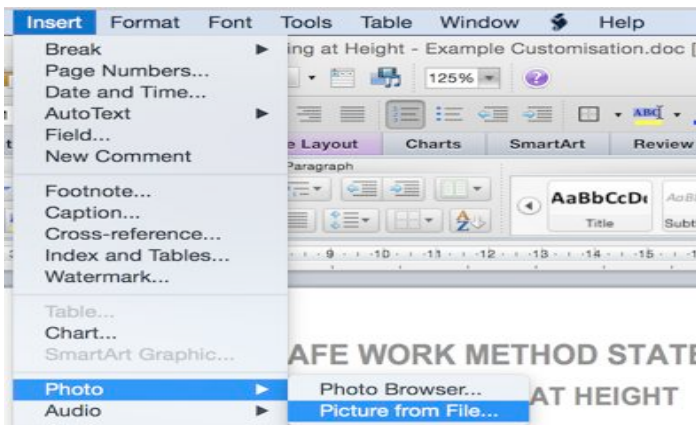

### Modifying Headers

- Double click within the header of the document to open the header or select the **View** menu, then **Header and Footer** (as shown below):

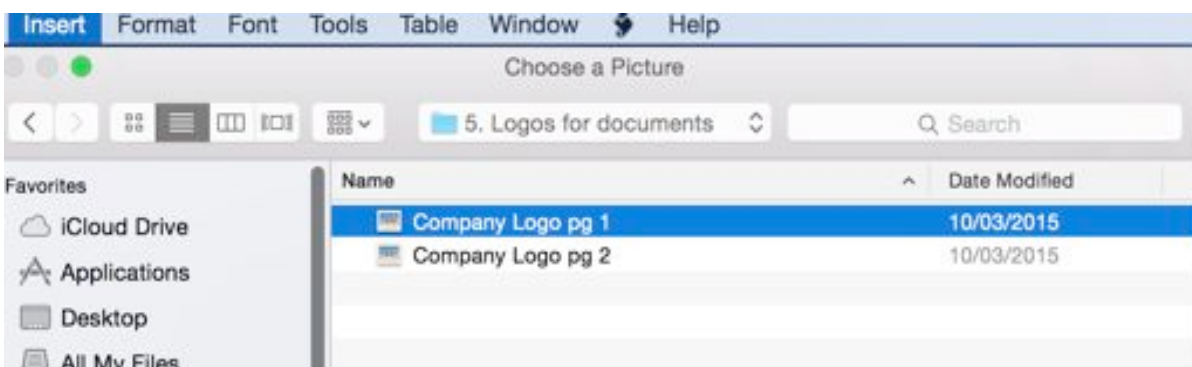

Select both **OSS Logos** (images left and right hand side) then **Delete** and replace with your Company Header or Logo as follows:

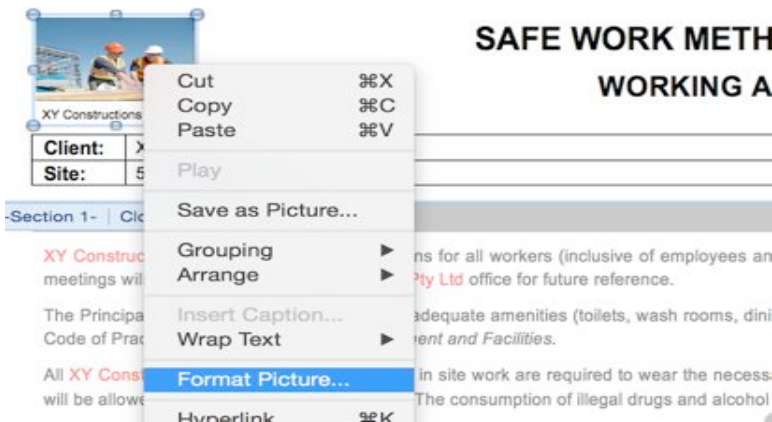

- Cut and paste text and/or images from your Company letterhead or similar document into the header of the document.
- Alternatively select the **INSERT** menu, locate **Photo** then select **Picture from File** (as shown below).

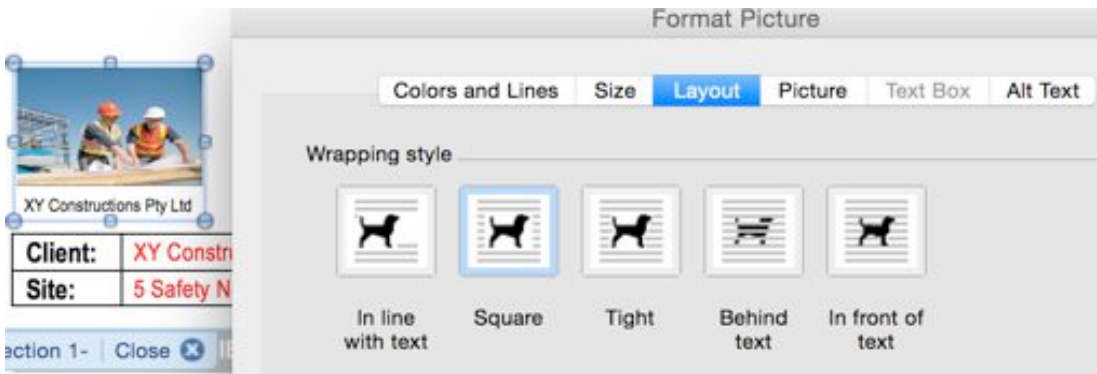

- Find the image you wish to insert and select **Insert** to add your Logo or image into the header.

→ To resize the image click on your logo or image in the header, then right click on your mouse and select **Format Picture** (as shown below):

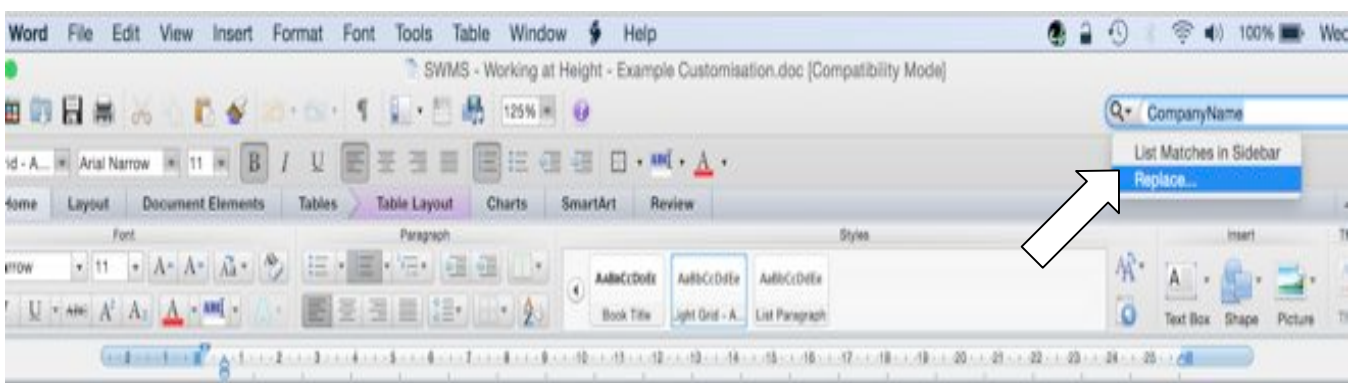

→ Select the **Layout** tab, then select **Square** and then **OK**. You can now move your logo/image around anywhere within the header. Note: if the image is too large the template will lose it's formatting.

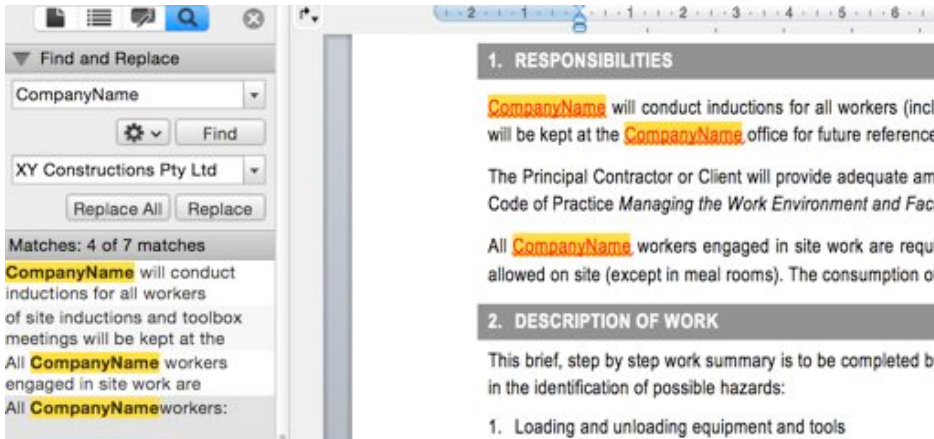

→ When all changes within the header are completed, double click outside the header to finish OR use the **Header and Footer** toolbar and simply click **Close** on toolbar to close the header.

### **Adding your Company Name to the Document using Find/Replace**

- Go to the top right hand corner and type in "CompanyName" in search box (see below).
- Go to the top right corner of the toolbar again, select the magnifying glass (see below) and click **Replace**.
- Type in Your Company Name then select **Replace All**, this will insert your Company Name throughout the document (as shown on next page).

- Change each revised **CompanyName** font within the document from **RED** to **BLACK**.
- Select **Save** on the ribbon to save the changes made to your document.
- Your Company Name is now added throughout the document (as shown below):
