USE OF TEMPLATE

This Work Health and Safety Management Plan (WHSMP) template has been designed for customisation to your company and project needs. It outlines the framework of a WHSMP. The format of the template includes:

- suggested wording where possible to ensure inclusion of important elements and reduce time spent on preparing the WHSMP;
- **words in red font which are guidance to the type of information related to your company and the project that needs to be included in that section; and**
- **guidance note boxes in green font which provide further explanation and suggestions on the type of information and level of detail to be included.**

All text in **red** should be replaced with your company and project related information. All **green** guidance notes and this text box should be deleted prior to finalising your document.
