

Aurora Ministries is a 501(c)3 public charity and we serve the Lord by making His Word available in accessible formats to those who are blind, visually impaired & print handicapped.

We trust that you rejoice with us in knowing the work of this ministry and the commitment of its partners is to help make an eternal difference in the lives of those who others wise have no independent access to God's Word.

## ELIGIBILITY

- Qualifies for the Library of Congress (LOC) National Library Service for the blind and print-handicapped (NLS) “Talking Book” program. ( [www.loc.gov/nls](http://www.loc.gov/nls) )
- Unable to read or use standard printed material as a result of a physical limitation.
- Vision in better eye is 20/200 or less with corrective glasses or widest diameter of visual field is no greater than 20 degrees.
- Reading disability resulting from organic dysfunction.

## WORLDWIDE SERVICE

In addition to the United States NLS, we serve the blind and print-handicapped through CNIB in Canada, RNIB in Europe, Tape Aids in South Africa, and Vision Australia in Australia. As well as any other certified Library for the blind in any country.

## DIGITAL TALKING BOOK (NLS)

Free upon request for registered NLS Talking Book users. This Audio Bible is provided on a NLS cartridge, which works only in the NLS Digital Talking Book player.

**Our Audio Bible cartridges are for the users to keep without any time limit.**

Audio Bible NLS cartridges are available in most major English translations, as well as 30 non-English languages.

Users with Victor Reader Stream Daisy players may substitute an NLS cartridge for an SD memory card compatible with their player or USB flash drive to load their existing SD memory card.

## MP3 AUDIO BIBLES

Free upon request with certification of impairment. Audio Bibles can be provided in MP3 format on choice of CD-Rom or DVD-Rom to be used in any MP3 or Daisy Device. English and 30 non-English languages available.

## HEAR MY BIBLE PLAYERS

Accessible handheld Audio Bible player.

Raised button, intuitive keypad makes playing and navigating the Audio Bible easy for the blind, print disabled and elderly.

Most major English versions available, as well as hundreds of non-English languages.
