

# COVER ARMCHAIR

**THOMAS BENTZEN ON THE DESIGN** "Cover is born from a desire to create a comfortable and contemporary armchair in wood. I aimed for a crisp and vivid expression in the plywood while looking for a solid and grounded look in the frame and base of the chair. Three years of play and hard work in the making has resulted in a light, yet strong armchair, playing and taking the molded veneer to its extreme."

Armrest height 65,6 cm / 25.8"
