Assembly Process – Removing Cover

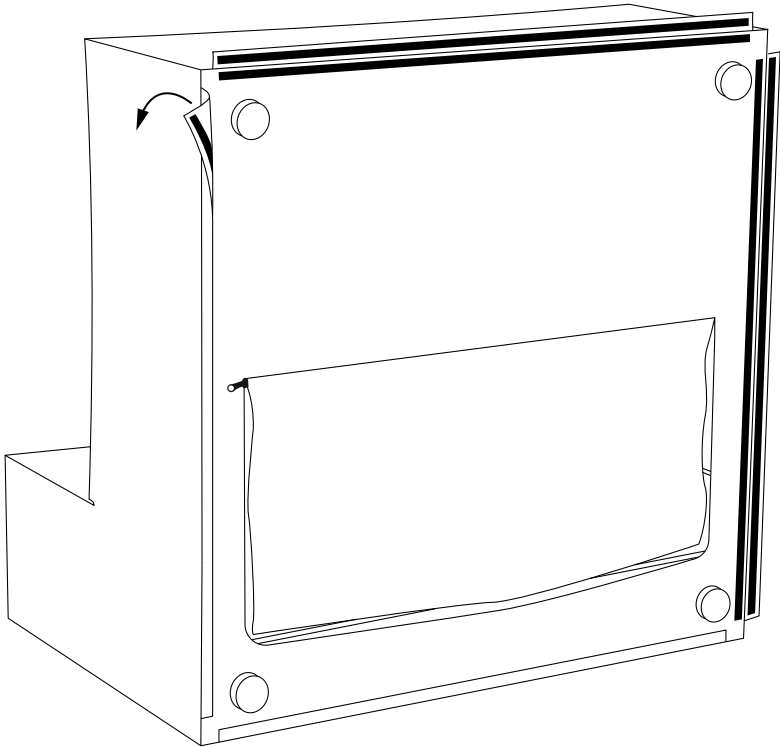

1

Gently tip the sofa onto its backrest. Unzip the zipper underneath the seat. Locate the two velcro strips on the inside of the structure and undo them to release the black inlay fabric.

Assembly Process – Removing Cover

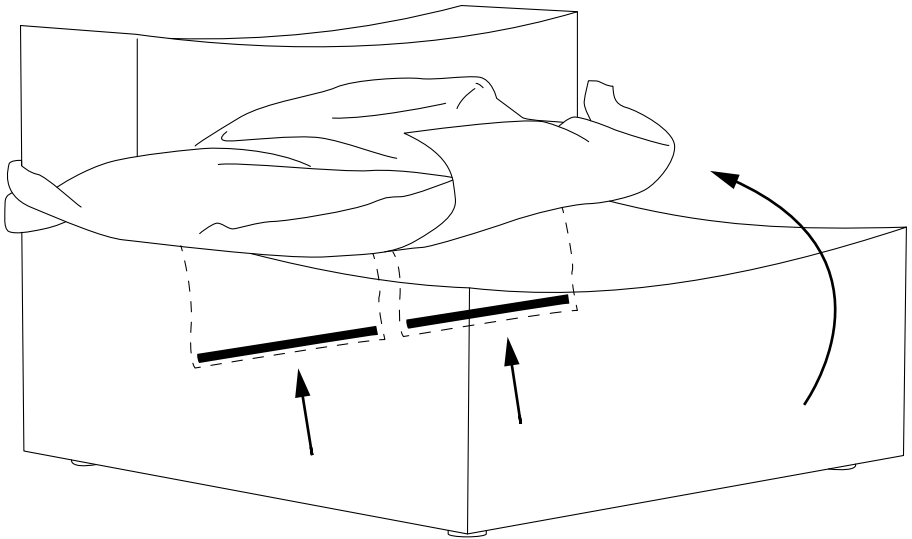

2

Next, undo the velcro fastenings from all four corners of the seat.

Assembly Process – Removing Cover

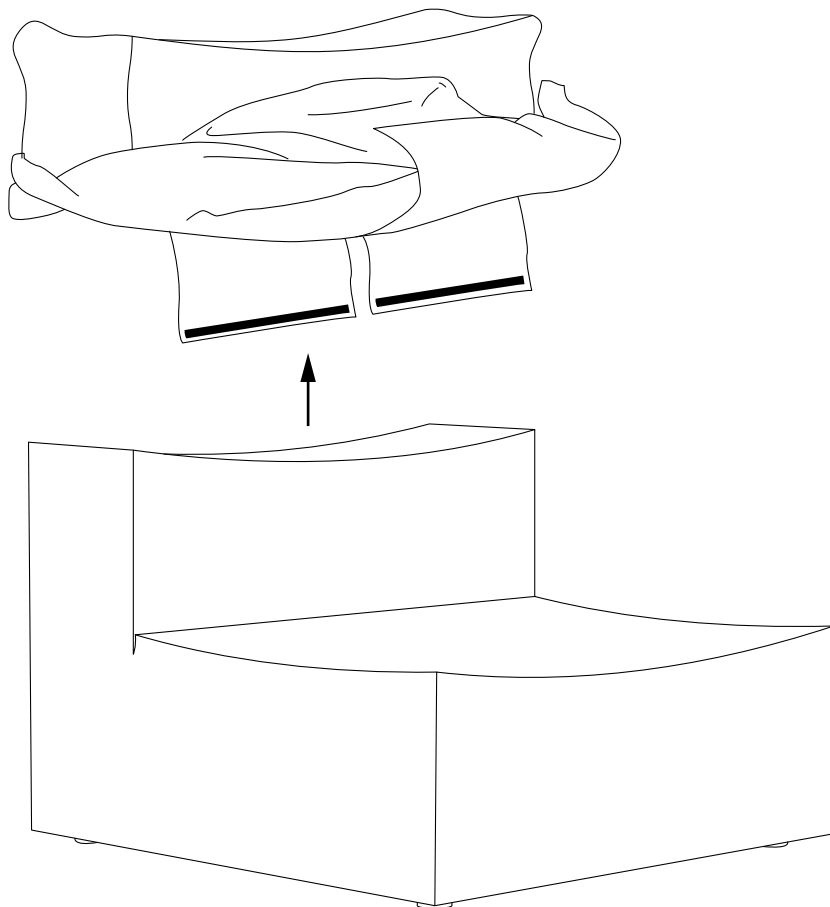

3

Now, the cover can be carefully removed. Return the sofa to a standing position.
Reach inside the crack where the seat connects with the backrest/armrest and pull the fabric loose.

Assembly Process – Removing Cover

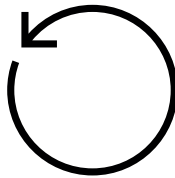

4

Once the fabric is loose, pull the cover up and off the backrest.

Assembly Process – Putting on Cover

1

Repeat steps backwards when putting the cover back on.

Note: The cover can be pulled tighter to remove any wrinkles or loose fabric which may form over time.

Attention: When removing and putting on covers, be careful that the connection system does not get in the way and cause damage to the fabric.
