

A person wearing a dark lab coat, a light blue surgical mask, and glasses is leaning over a white medical mannequin. They are wearing purple nitrile gloves and pouring liquid from a large, clear plastic jug into a smaller, clear plastic bottle. Another person, also wearing purple gloves, is standing to the right, with their hands resting on the mannequin's arm. The background is a bright, clinical setting, possibly a laboratory or hospital room.

PROGRAMME HIGHLIGHTS

- Visit a London training hospital and shadow doctors on a simulated ward round
- Experience clinical skills first-hand alongside specialists, such as blood-taking, vaccinations, suturing and CPR
- Carry out patient consultations to develop essential communication, problem-solving and critical-thinking skills
- Receive coaching on breaking into medical school from admissions experts
- Network with medical experts from a wide range of specialisms, including cardiology, radiology and GPs
- Gain a personalised certificate of attendance and an industry reference letter to boost university and job applications.

“I have learnt a lot from this experience! I loved every session and found them all engaging and interactive. I particularly enjoyed the suturing, investigating patient consultations and the anatomy session.”

Student, the Future Doctor Summer Experience 2023

“My highlights have been talking to industry professionals, the escape room and getting to learn all about the university application process. It has been brilliant and I made a lot of friends!”

There is no official deadline to book, but places are highly limited and are allocated on a first-come, first-served basis. Secure your place by visiting our website www.investin.org today or contact our expert admissions team at info@investin.org or via + 44 (0) 203 488 5089.

ENROLMENT REQUIREMENTS

Subject Knowledge

Students do not require any prior industry knowledge or experience in order to attend an InvestIN programme. Our programmes are suited for students who are enthusiastic and passionate about their chosen career, whilst our professionals are here to coach students on everything they need to know!

Language Proficiency

Our programmes are delivered entirely in English and we require a minimum CEFR level of B2 (upper-intermediate) in order to attend.

Visas

Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution". We can issue letters in support of visa applications once a student has registered for a place on a programme.
