IMMERSIVE CAREER EXPERIENCES

## THE YOUNG ARCHITECT SUMMER EXPERIENCE 2024

London | UCL Campus  
Ages 15-18

Join us for the ultimate work experience in architecture this summer in London.

Over the course of 2 weeks, students will step into the shoes of an architect through a range of immersive career simulations and exclusive professional site visits. This is a unique opportunity to work alongside top architects, gain hands-on experience to boost university and job applications and experience life on-campus at a world-renowned university, University College London.

## PROGRAMME HIGHLIGHTS

- Complete a design project end-to-end and present your final design and model to a panel of architects and architectural apprentices
- Spend a day with two leading architecture firms in London and understand how to begin your career journey
- Visit London's iconic Barbican Centre, tour the historic sites of the city and experience one of the world's best architecture universities: UCL
- Extensive coaching on all stages of the architecture school journey as well as feedback on your portfolio and models
- Meet with architects, architectural assistants and current university students to provide you with a network during your experience
- Gain a personalised certificate of attendance and an industry reference letter to boost university and job applications

"The structure of the programme was very well thought out, the way each day progressed into a new area in architecture but also building on from what we learned from the previous day really provided a full, rounded experience."

Student, the Young Architect Summer Experience 2021

"My highlight has been the firm visit to Foster + Partners because I have never visited an architecture firm before. It not only taught me new skills and drawing techniques but helped me immerse into the world of architecture."

## ENROLMENT REQUIREMENTS

### Subject Knowledge

Students do not require any prior industry knowledge or experience in order to attend an InvestIN programme. Our programmes are suited for students who are enthusiastic and passionate about their chosen career, whilst our professionals are here to coach students on everything they need to know!

### Language Proficiency

Our programmes are delivered entirely in English and we require a minimum CEFR level of B2 (upper-intermediate) in order to attend.

### Visas

Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution". We can issue letters in support of visa applications once a student has registered for a place on a programme.
