IMMERSIVE CAREER EXPERIENCES

THE YOUNG ENGINEER SUMMER EXPERIENCE 2024

London | UCL Campus
Ages 15-18

Join us for the ultimate work experience in engineering this summer in London.

Over the course of 2 weeks, students will step into the shoes of an engineer through a range of immersive career simulations and exclusive professional site visits. This is a unique opportunity to work alongside top engineers, gain hands-on experience to boost university and job applications and experience life on-campus at a world-renowned university, University College London.

PROGRAMME HIGHLIGHTS

- Explore an airfield during which you will rig a glider, take on a flight simulator and work with aeronautical engineers
- Enter a supercar studio, take apart an engine and design your own supercar
- Visit a working airfield, Europe's largest collection of supercars and one of the world's leading construction firms
- Understand how to break into engineering, understand the university options available and complete an engineering assessment centre
- Work alongside prominent aeronautical, material, civil and biomedical engineers who will guide you through your experience
- Gain a personalised certificate of attendance and an industry reference letter to boost university and job applications

"One of the best things I've done for my child. Some of the experiences she got just sounded out of this world, but more than that she was so complimentary about the staff - both the engineers and the organisers. She stayed at their university halls and made lots of new friends."

Parent of a student, the Young Engineer Summer Experience 2022

"It was an amazing experience. The entire programme was overseen and taught by inspiring experts in their fields - it really helped in cementing my decision to study engineering."

ENROLMENT REQUIREMENTS

Subject Knowledge

Students do not require any prior industry knowledge or experience in order to attend an InvestIN programme. Our programmes are suited for students who are enthusiastic and passionate about their chosen career, whilst our professionals are here to coach students on everything they need to know!

Language Proficiency

Our programmes are delivered entirely in English and we require a minimum CEFR level of B2 (upper-intermediate) in order to attend.

Visas

Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution". We can issue letters in support of visa applications once a student has registered for a place on a programme.
