PROGRAMME HIGHLIGHTS

- Sketch, package and recover key evidence at a simulated crime scene typically used by police trainees & final year university students
- Work with specialists in a state-of-the-art laboratory to perform blood pattern analysis to catch your criminal
- Write and deliver an expert witness testimony live in a courtroom and receive feedback from the professionals
- Understand the difference between lab & field work, and receive guidance on university selection, career pathways, and work experience
- Receive training from industry experts including Crime Scene Investigators, Fingerprint experts, Toxicologists, DNA analysts and more
- Gain a personalised certificate of attendance and an industry reference letter to boost university and job applications

“My highlight was the simulated crime scene - it was so interesting and exciting to be able to put all the knowledge we had gained into practice.”

*Student, the Young Forensic Scientist
Summer Experience 2023*

“The forensic science programme taught me a lot about the different branches of forensic science and there were case studies given to apply the knowledge we’ve learnt. This course was very helpful, interesting and informative.”

ENROLMENT REQUIREMENTS

Subject Knowledge

Students do not require any prior industry knowledge or experience in order to attend an InvestIN programme. Our programmes are suited for students who are enthusiastic and passionate about their chosen career, whilst our professionals are here to coach students on everything they need to know!

Language Proficiency

We require a minimum B2 (CEFR) intermediate level of English in order to attend. Our programmes are delivered and facilitated by native English speakers, whilst over 50% of our students are from the UK and the US, providing international students with the opportunity to enhance their oral and written skills in a professional and social context.

Visas

Students who require a visa to enter the UK should obtain a Standard Visitor Visa (the same that is used by tourists) for "study at an accredited institution". We can issue letters in support of visa applications once a student has registered for a place on a programme.
