Amanda Stewart, Customer Support Specialist

All tests reported above are UKAS accredited unless marked with a \*. Energy is calculated according to EU Provision of Food Information for Consumers Regulation (EU) 1169/2011. No account has been taken of organic acids, alcohol, polyols or salatrims. Fatty acids have been corrected for non-fatty materials (Non fatty acid content factor = 0.956). Opinions and interpretations are outside the scope of accreditation

All tests reported above are ISO 17025 accredited unless marked with a \*.  
Tests marked with a @ or a ‡ have been subcontracted to an ISO 17025 accredited laboratory.

Any limits applied to results are as agreed with the customer

The Test results published in this report relate only to the stated sample description as received by the laboratory

This document is issued by the Company under its General Conditions of Service at <http://www.sgs.com/en/Terms-and-Conditions.aspx>. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues define therein.

Any holder of this document is advised that information contained hereon reflects the Company's findings at the time of its intervention only and within the limits of Client's instructions, if any. The Company's sole responsibility is to its Client and this document does not exonerate parties to a transaction from exercising all their rights and obligations under the transaction documents. Any unauthorized alteration, forgery or falsification of the content or appearance of this document is unlawful, and offenders may be prosecuted to the fullest extent of the law.

Unless otherwise stated: (a) the results shown in this document refer only to the sample(s) tested and (b) such sample(s) are retained for a period as agreed with the customer. This document cannot be reproduced except in full, without prior approval of the Company.
