

# EcoTank M1120

DATASHEET / BROCHURE

Take advantage of mobile printing and reduce your printing costs with this reliable, time-saving and energy-efficient EcoTank.

Enjoy the benefits of mobile printing and big savings with this durable, fast and energy-efficient EcoTank with refillable ink tank. A cost-efficient solution, print up to 5,000 pages with the included black ink<sup>1</sup>. You'll get prints quickly as there's no warm up time and print speeds of 15ppm<sup>2</sup>. Connect easily via Wi-Fi and use Epson's range of mobile printing apps.

## Reduce your printing costs

You can save up to 50% in three years compared to monochrome laser printers with EcoTank<sup>3</sup>. It features a large refillable ink tank that you fill with the included ink bottles instead of toner. From the start you have enough ink to print thousands of pages, slashing costs and saving time.

## Low cost replacements

While refills are likely to be few and far between, you'll be able to save over 90% on the cost per page with replacement ink bottles<sup>4</sup>. Its front-facing tank is engineered for mess-free refills and the bottles have an airflow system so squeezing is not necessary during the filling process. Thanks to the front ink level display, it's obvious when it's finally due for a refill.

## Reliable

Giving peace of mind, every EcoTank mono printer comes with a one-year/100,000-page warranty.

## Save time

Don't waste time changing supplies - with an ink tank system, you can essentially fill it up and forget about it. Printing is fast with no warm-up time and print speeds of 15ppm<sup>2</sup>.

## Save energy

Cut energy usage and reduce overheads with an EcoTank mono printer. It can save up to 95%<sup>5</sup> in power consumption compared to mono laser printers.

## KEY FEATURES

- **Reduce your printing costs**  
Economical ink tank printer with lots of ink included
- **Reliable and durable**  
One-year or 100,000-page warranty
- **Reduce energy usage**  
Save up to 95% in power consumption<sup>4</sup>
- **Fill up and forget**  
Print thousands of pages with the included ink
- **Fast printing and Wi-Fi**  
Mobile printing, 15ppm print speeds<sup>2</sup> and no warm up time

## LOGISTICS INFORMATION

SKU	C11CG96404
EAN code	8715946655451
Country of Origin	Philippines
Layer	5 Units

### WHAT'S IN THE BOX

- Setup guide
- CD Manual
- Inks
- Main unit
- Power cable

### INK BOTTLE COMPATIBILITY

- 110S

1. Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test patterns provided in ISO/IEC 19752. Quote yields are NOT based on ISO/IEC 24711. Quote yields may vary depending on the images you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.
2. Determined in accordance with ISO/IEC 24734 showing the average of ESAT from the Office Category Test for default simplex. For more information visit [www.epson.eu/testing](http://www.epson.eu/testing)
3. Savings achieved in 3 years by printing 406 pages per month. Cost comparison incorporates pricing of hardware, included and replacement ink bottles/toner cartridges. Hardware pricing comparison is made based on the introductory prices of the Epson M1100 and the average price of the top selling 77% of A4 single function monochrome laser printers (print speed below 20ppm) across Greece, Czech Republic, Hungary, Poland, Rest of SEE, Romania, Slovakia, Slovenia and Turkey for the period January - December 2018 as tracked in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q4. Printing costs' comparison is made based on the introductory prices of Epson black ink bottles (110 series) and the average prices of genuine OEM black toner cartridges of the largest available yield for the top selling 77% of A4 single function monochrome laser printers (print speed below 20ppm) across Czech Republic, Hungary, Poland and Turkey for the period January - December 2018 as tracked in IDC EMEA Semiannual Consumables Tracker 2018H2. Competitor laser toner cartridges' yields as communicated by the manufacturers websites.
4. Cost per page is calculated by dividing price of replacement ink bottle/toner cartridge by their page yield. Cost per page comparison is made based on the introductory prices of Epson black ink bottles (110 series) and the average prices of genuine OEM black toner cartridges of the largest available yield for the top selling 77% of A4 single function monochrome laser printers (print speed below 20ppm) across Czech Republic, Hungary, Poland, Turkey for the period January - December 2018 as tracked in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q4 and IDC EMEA Semiannual Consumables Tracker 2018H2. Competitor laser toner cartridges' yields as communicated by the manufacturers websites.
5. Comparison of the power consumption while printing of the Epson M1120, M2170 and M3170 models against the average top selling 75% of A4 monochrome laser printers (print speed below 20ppm) across Greece, Czech Republic, Hungary, Poland, Rest of SEE, Romania, Slovakia, Slovenia and Turkey for the period January - December 2018 as tracked in IDC Worldwide Quarterly Hardcopy Peripherals Tracker 2018Q4. Power consumption values as communicated by the manufacturers websites.
6. Requires a wireless connection to the internet. For more information, supported languages and devices please visit [www.epsonconnect.eu](http://www.epsonconnect.eu)
