

Shipping and Stock information

Avico mostly use Fastways Couriers for the delivery of our products. A Tracking number will be sent to you from the courier as soon as the unit arrives at their depot.

Delivery costs per parcel:

- Gauteng – R100 (approximately 1-2 working days*)
- Other major cities – R250 (approximately 2-3 working days*)
- Oulying areas – R450 (approximately 3-5 working days*)
- Delivery cost on screens will be quoted on request
- We always try our utmost best to ship goods the day we receive an order. Although we can ship 90% of orders on time, we do sometimes run out of stock on some of our +- 3500 stock items.
- Customer Collections are welcome.

We recommend customers to confirm stock before placing orders, especially if the product is required in a hurry.
