Part of Goop's core ethos is investment-level quality, something both Watches of Switzerland's Mayors and Analog:Shift value. A collaboration with Gwyneth Paltrow's prized lifestyle brand, Goop will showcase an exclusive curated collection of vintage watches and jewelry online and in its Sag Harbor boutique. Featuring diamond silhouettes and rare, luxury timepieces from brands such as Rolex and Patek Philippe, quality meets sustainability with this timeless collab—the company is determined to eliminate the lasting effects of fast fashion by encouraging recycling and reuse. #### **FOOD FOR THOUGHT**

Feast your eyes on Autostrada's delectable dining menus, catering to each client's party, whether five or 200 guests. Sit back, relax and admire the craft of Neapolitan-style pizzas topped with premier ingredients like spicy lobster, clams and tasty San Marzano tomatoes in the comfort of your backyard. The options are endless and delicious; gourmet family-style dishes, including canapes and refreshing salads; entrees such as a whole roasted branzino and bone-in dry-aged ribeye; and decadent desserts. Quench your thirst with beverage bundles that feature Aperol spritz, margaritas, Negronis or mimosas, autostradahamptons.com

### LACED WITH LOVE

Funneling her entrepreneurial spirit into her latest endeavor, wellness expert and brand builder Dria Murphy launched bydria.com, a curated shoppable lifestyle site featuring her favorite wellness, beauty, interiors and fashion products. Recently, Murphy launched her first capsule collection with New York-based female lingerie designer Taryn Winters on By Dria that celebrates the well-deserved feeling of being comfortable in and empowered by one's femininity. Worn day and night, this
