

JEWELLERY

Tatler's Jewellery Editor makes the case for enamel jewellery in 20 dazzling pieces

Charlie Miller presents her wish list of the most desirable fine jewellery with enamel detailing. Whether jet black or brightly hued, enamel adds a superbly glossy framework to important stones (see Boodles), or a modern accent to precious metals

18-karat rose gold, diamond and enamel ring, £4,960, Diane Kordas at [Net-a-Porter](#)
