Terms of Payment

1. We take care of the **entire process** from the factory in France to delivery at your store location in Canada.
2. Orders are sent by KTF from Europe to your door if they fulfill the **specified minimums** above.
3. Potential savings are substantial ranging between **10%** and **30%** off from the current KTF price list **delivered free at your door**. These are subject to **product specifications** and **geographic location**.
4. EB is only available three times a year due to logistics and handling. Be patient as it can take from 2 to 3 months to receive shipments.
5. We require a **deposit of 50% when the order is placed** and the **remaining 50% when the goods leave the factory**. A tracking system will let you follow the routing.
6. Depending on the size of the total order, we might have to deliver a pallet. Some restrictions might apply and you must be able to accept a pallet. Please **confirm before placing the order**.
