

## Petrol pressure cleaners

Reliable Honda motors petrol motors ensure long working life for your high pressure cleaner. Petrol powered pressure washers offer the big advantage of being totally independent of electrical power sources- and even of normal water networks.

- Robust long life pumps with ceramic pistons.
- Robust design.
- Honda motor on petrol versions.
- Wide range of models for all applications.
- Ergo accessory concept.

For tough use where you have no electric power (e.g. on construction sites, agriculture...)
