

A portable and stationary mounted unit all in one

The Gerni SC UNO 4M can be easily carried from site to site with the robust, steel transport handle. And the steel transport handle protect the plastic cabinet parts from damage.

The Gerni SC UNO 4M PS models can also be placed as a fixed installation against a wall thanks to the designed installation plate. The model is then placed out of the way, permanently ready for use and not taking up any valuable floor space. Thanks to the flexible design, it can quickly be removed from the wall fixation and again be used as a portable unit and moved to a different site if the user has several applications.

- Powered by 1450 rpm high efficiency motor
- Brass pump head
- 3 ceramic coated pistons
- Pressure activated unloader system
- Enclosed oil system
- Robust, steel transport handle
- The unit can operate both in vertical and in horizontal position
- One year commercial warranty

The Gerni SC UNO 4M is both a stationary and a portable unit. It is simple and intuitive to use and a cost effective fixed installation on the wall or used as a portable model, carried from site to site to different working places. Delivered with all accessories for immediate use.

Designed for heavy duty cleaning tasks the Gerni SC UNO 4M is a reliable choice for light agriculture, building and construction and automotive areas, etc.
