

### Reliability, mobility, all-round and high performance level

This pressure washer offers many accessories as standard and is therefore the best choice when it comes down to cleaning of the car and of the patio. The compact and upright design ensures high mobility and suits all types of medium to high frequency cleaning tasks around the house.

The Super 140.2 Plus is very mobile, due to the upright and ergonomic design and the extra handle for lifting and the build in telescopic handle makes it easy to store away as a compact unit. The storage options include also storage of Click&Clean (C&C auto brush or a rotary brush. The height of the products ensure good ergonomics. The integrated hose reel makes it easy to reel-up the high pressure hose. The C&C nozzle system makes it quick and easy to change the nozzles. The standard bayonet coupling ensures compatibility to the consumer accessory range. It is standard with a reliable and long lasting induction motor. It can be stored and used as a stationary solution on the wall by separate wall-hook.
