

MATRIX S08

Commercial 8 bar pressure steam only cleaning system

- This eco-friendly compact water saving system can go almost anywhere for steam cleaning.
- Steam output from this model is delivered with pressure and at a temperature that adequately eradicates bacteria. The device also sanitizes with minimal water and chemicals.
- The S08 is durable and robust with a stainless steel body and boiler maximizing your return on investment.
- Featuring a steam regulator allows the operator to control the volume output. A continuous fill boiler enables refill with zero reheat time.
- Comes standard with a flexible 4 meter hose which enables safe cleaning within confined spaces and hard to reach areas.

Standard consumable accessories:

- 1 x 4 meter Steam Only Hose
- 1 x Large Round Brush
- 2 x Extension Tubes
- 5 x Small Nylon Brushes
- 1 x Triangular Brush
- 5 x Small Brass Brushes
- 1 x Floor Brush
- 1 x Window Squeegee
- 1 x Brush Elbow
- Optional - Steam mop kit
- 3 x Nozzle types
