

430 mm high speed single disc polisher for light to medium duty tasks

With SPINTEC 443 we have improved ergonomomy in handling, balance and transportation, thus adding special features like: cable hook, plug holder, longer cable, common accessories, improved serviceability. Offset deck is just 12 cm tall in order to clean under furnitures and radiators. SPINTEC 443 is also very silent and can be used in hospitals. Safety button, dead switch, high visibility cable, IPX4, automatic click on/off put the SPINTEC 443 at the edge of safety. Metal frame, big wheels and bumpers, all merged together in a modern design give evidence to the robustness, durability and easy cleaning of the machine.

- Extra features: cable hook, plug holder, big wheels, easy cable replacement, ergonomic handle
- Offset motor to clean under radiators and furniture
- Rugged tube and frame resistant to knocks and bumps without breaking
- Long life with a minimum of service costs
- Cable hook, where the cable can be easily wound up on the machine
- Rubber bumper protects obstacles and machine from damages
- Quiet operation and long life
- Easy to operate
