

Allergy friendly vacuums with HEPA 14 Filtration

In Australia, allergies are becoming more and more common. At Nilfisk, that is something we have taken to heart. With the Nilfisk Elite our world class HEPA 14 filter and vacuum cleaner are completely sealed so that contaminated air is never released.

A vacuum cleaner with great HEPA filtration is a good investment for your home and essential for protecting your family from airborne allergens. The Nilfisk Elite range of vacuums are durable, powerful, quiet, have a five year warranty and even come with a remote control!

High dust pickup: A strong motor and ergonomic design mean the Elite is a world class dust collector.

Allergy friendly: Ultra dust bag, airtight construction and HEPA 14 filtration stop even the tiniest particles. Animal hair, dust mites and their droppings are no challenge for the Nilfisk Elite.

Control: The Handle with remote control gives you suction and power adjustment right at your fingertips.

Silent: 70 dB(A) means you can vacuum without waking the baby.

Five year guarantee: We are so confident you will love our machine we provide a five year guarantee.

The Nilfisk Elite is the perfect vacuum cleaner for every home. Five year warranty, powerful suction, 3.1 L dust bag and an anti-burst system make this HEPA 14 vacuum a valued member of your family.
