Vacuum cleaners Nilfisk Meteor Series

Bagless Vacuum Cleaners

Nilfisk Meteor with bagless technology is a user friendly vacuum cleaner with an easy to empty, large 2.5 L transparent dust container. Combined with a strong 2200W motor, the Meteor is strong enough to effortlessly remove dirt and dust. Including a HEPA filter for better filtration, only clean air comes out of the vacuum cleaner. As a bonus, you get extra nozzles and accessories useful for removal of pet hair and cleaning smooth surfaces. Buy one today!

- · Bagless technology, powerful and easy to use
- Strong suction, 2200W motor
- · HEPA filtration, clean exhaust air
- · Extra nozzles and accessories

Nilfisk Meteor is great if you are looking for a vacuum cleaner with strong suction, without a dust bag. The transparent container lets you see all the dust and dirt you have removed from your carpet.
