

## Compact Upright Scrubber Dryer

Innovative scrubber dryer for cleaning narrow areas with an upright design and low deck profile for difficult to reach places. The Nilfisk SC100 Scrubber Dryer makes cleaning fast, hygienic and safe.

The Nilfisk SC100 Scrubber Dryer is ideal for retail, restaurants, convenience stores, fast food outlets, hotels and in-home cleaning.

- Scrubs and dries in one pass giving fast access to cleaned areas.
  - Two solution flow settings for efficient cleaning and LED indicator when tank is empty.
  - Ergonomic handle for comfortable one or two handed operation.
  - Easy to carry and transport – only weighs 12 kg.
  - Unlike mops, the SC100 only uses clean solution, eliminating dirt and bacteria.
  - The flat recovery tank design and full access makes it fast and easy to clean.
  - Can do what others cannot: Low deck profile and offset allow cleaning of difficult to reach areas.
  - Easy and quick maintenance helps the operator to always have a clean and functional machine.
  - Flexible cleaning with two solution flow settings: eco-flow for light cleaning and double-flow for spot or heavy duty cleaning.
- 
- Picture shown may not represent model quoted
- All machine functions stop in upright position, eliminating solution spill and protecting floors.
  - The robust aluminum frame design guarantees high reliability and long life.
  - Detergent dosing cap conveniently located on the solution tank so you always have the correct solution ratio.

The Nilfisk SC100 is designed for in-depth cleaning of narrow areas. Compared to the manual solution of a mop and bucket, this compact upright machine will get the job done faster and offers superior, hygienic and safe cleaning.
