

Highly manoeuvrable compact walk-behind scrubber dryer

SCRUBTEC 343.2 is a scrubber dryer for light to medium floor cleaning tasks in garage and car facilities, small warehouses, showrooms, food industries and more, with the functionality and capabilities of a much bigger machine but still easy to use and with high maneuverability.

- Robust design
- Electrical Ecofriendly water flow control
- Double scrubbing for heavy duty cleaning tasks
- Easy deck adjustment for full traction control
- Quick and easy check of water level through the transparent hose
- Squeegee lifting with convenient foot pedal
- Large capacity tanks 31 L
- Rear drain hose with flow control
- LED battery indicator
- Automatic brush on/off
- Safety yellow switch stops all major functions
- Front extractable transportation wheel
- One year commercial warranty

Picture shown may not represent model quoted

SCRUBTEC 343.2 offers excellent cleaning performance in a small compact size. Innovative squeegee lifting system operated by foot to increase comfort. Electronically controlled solution flows to save water. Solution and brush on/off thanks to the yellow switches directly on the handle. It's ideal for light to medium floor cleaning tasks, and a reliable and productive machine with excellent performance, high safety and low service costs.
