

Low price - high quality

The Nilfisk VP300 HEPA is the latest member of the VP300 series of basic commercial vacuum cleaners, suitable for everyday cleaning of light to medium duty applications such as offices, hotel rooms, retail stores, etc.

The unique feature of VP300 HEPA is the strong filtration combined with the cleaning capacity of 1200w motor. The HEPA filter ensures a higher quality of air is maintained within the cleaning environment and the 1200w motor provides an exceptional and efficient cleaning performance.

To ensure the VP300 HEPA is easy to use, features such as accessories holder, power cord storage and tool parking have been incorporated. Furthermore an ergonomic handle enables the operator to carry the complete vacuum cleaner in one hand.

With a sound pressure of just 50 dB(A), it makes this vacuum suitable for daytime cleaning of offices, reception areas, hospitals and other noise-sensitive areas, as it causes minimum disturbance to people who are within the cleaning vicinity.

*machine only

PRODUCT FACTS

- Certified HEPA filter
- Orange detachable cord for safety and easy maintenance
- Best in class filling capacity, which means less time spent changing dust bags
- Weighs just 5.3 kg* making it easy to move from place to place
- Low sound pressure level of just 50 dB(A) makes this vacuum suitable for daytime cleaning
- Secure accessory and power cord storage and rear mounted tool parking
