

Who is Quantum 9?

March 2, 2016

Smiths Falls, ON – Tweed Inc., a subsidiary of Canopy Growth Corporation (TSX.V:CGC), wishes to issue a clarifying release. A recent press release issued by a company called “Quantum 9” indicates that Tweed endorses its services. In fact, no member of the Tweed’s management team knows who Quantum 9 is.

In late 2013 a Tweed employee held a brief meeting with Quantum 9. Some years later, that individual penned a personal recommendation letter.

Tweed is proud of its accomplishments and the reputation it has built as a leader in the cannabis sector. And we have had the privilege of teaming up with real world-class leaders as we build something special.

Tweed has partnered with [DNA Genetics](#), an award-winning powerhouse of genetics and breeding in the cannabis sphere. We teamed up with the [Canadian AIDS Society](#) to bring education initiatives to patients seeking answers, and [DSG Inc.](#) to build the backbone of the EQUAL clinical study. We have worked closely with [Indoor Harvest](#) to explore groundbreaking aeroponics technology. We have incredible research partners at leading Canadian universities, and most recently we partnered with cannabis icon [Snoop Dogg](#).

Quantum 9 does not fit into that category and we do not endorse or recommend their services.

Here’s to Future Growth.
