

# MAKE CARE PACKS WITH US

## ABOUT TROOPSTER

Troopster is a nonprofit organization that works with businesses, communities and volunteers to pack and send care packages, monthly, to deployed service members around the world. Since launching in 2015, Troopster has sent more than 5,000 care packages to deployed Troops. Founded by a U.S. Navy Veteran, Troopster was founded under the mission that no service member should ever feel left out. Pack events are scheduled and held every fourth Saturday of the month. Each event is sponsored by a different business, either to host or as an employee team building event. Care packages cost \$20 per package, which includes contents, shipping materials and shipping costs, boxes and marketing. The choice is yours for how many lucky service members your business would like to sponsor for care packages.

### Events

Troopster holds pack events monthly with a sponsoring organization or business. We provide the snacks, packs and everything needed for the ultimate military care packing event. These events last roughly 1-2 hours, depending on the # of care packs.

### Sponsorship

Sponsorship pays for the contents, shipping, packaging and associated costs for a pack event. Each care package is \$20 and for sponsorship Troopster will bring the items, packaging and shipping items to pack and ship to troops - same day.

### Team Building

Hosting a pack party with Troopster is a great Team Building event for employees, friends or organizations. During these events, you will be making individual packs for deployed service members, writing cards, and personalizing a gift for a soldier.

### Community Relations

Troopster packing events are good opportunities to bring others in the community into your business or location. Working with Troopster you will receive social media marketing as a highlighted sponsor, representation in our Newsletter, and more.
