

Periodically check for damage and wear.

DC2 Type R w/ Stock endlink
 DC2 LS or GSR w/ stock endlink
 EG Civic w/ stock endlink
 Eibach 1" hollow bar

DC2 Type R w/ASR Endlink adaptor
 EK9 Civic Type R 22mm
 US Civic Si 13mm
 ASR 32mm hollow racing Anti-Roll bar
 ASR 24mm Anti-Roll bar

TIP:
 Once the arm is bolted to the vehicle, install the endlink to the lower control arm before attaching to the swaybar arm.

ASR control arm utilizes an M10 X 1.25 threaded hole for the lower portion of the end link attachment. Be sure to inspect and clean the bolt or stud that will be used to avoid thread damage.

ITEM NO.	PART NUMBER	DESCRIPTION	QTY.
