

spiritsilver

bold is beautiful

Argenteus has built an enviable reputation for top quality, stylish sterling silver designs.

We now bring all these elements together in a collection of fabulous silver designs developed by us to represent the finest examples of design and workmanship from the UK and around the world

Stylish, high quality silver jewellery. Bold designs with a substantial feel. Easy to wear yet distinctive and original in design and form, these designs are individually created for us by only the best craftspeople in the world.

Each piece is made from the finest sterling silver with special attention paid to final hand finishing on every item.
